Professional Summary

Entry-level Full-Stack Developer with hands-on experience in Python, Django backend development, REST API integration, SQL databases, and front-end technologies. Skilled in building scalable full-stack applications, optimizing database performance, and implementing secure authentication systems. Strong problem-solving and debugging abilities with practical exposure through projects and full-stack development training.

Skills

Programming Languages: Python, JavaScript

Frameworks: Django, Flask, React.js

Frontend Technologies: HTML5, CSS3

Databases: SQL, SQLite, PostgreSQL (Neon DB), Firebase

Developer Tools: Git, GitHub, Postman, REST APIs , Vercel

Technical Concepts: OOP, SDLC, Debugging, Unit Testing

AI & Data Handling: EDA, NumPy, Pandas, Matplotlib, LLM

Projects

E-Commerce Website

Technologies: Django, React.js, HTML, CSS, JavaScript, SQLite

- Built a full-stack web application featuring product listing, product details, shopping cart, order management, and admin control.

- Developed secure user authentication and session management for improved application security.
- Designed responsive user interfaces to enhance mobile and desktop usability.
- Used GitHub for version control and collaborative development workflows.

INTERN EXPERIENCE Python Full Stack Developer – Tamil Info Technology, Dindigul Oct 2025 – Mar 2026

- Enhanced and maintained **Python and Django** modules for internal projects and web applications.
- Implemented **REST APIs** for seamless data exchange between multiple applications and improved system communication.
- Optimized **SQL queries** and database operations to improve data retrieval efficiency.
- Automated repetitive tasks using Python scripts, reducing manual effort and improving productivity.
- Collaborated with the development team using **GitHub** and **testing tools** during project deployment.

Education

Bachelor of Engineering (B.E.) – Electronics & Communication Engineering

SSM Institute of Engineering & Technology, Tamil Nadu | 2025 | CGPA: 7.7/10

St. Mary's Higher Secondary School – 12th Grade (Tamil) | 2021 | 82%

St. Mary's Higher Secondary School – 10th Grade (Tamil) | 2019 | 75%
